@speenhamlandsch

I am pleased to say that this week both the School Council and House Captains were announced. Both of these roles hold additional responsibility and mean that the children are making a difference across the whole school.

School Council:

Blue	Eloise Wade and Jessica Moore
Green	Patrick Whitehead and Hollie Edwards-Smith
Red	Toby Calow and Bradie Fuell
Yellow	Faye Symonds and Cheyanne Norman

House Captains:

Class 3	Poppy Bradfield and Blossom Green
Class 4	Joshua Paisley and Lilly Walters
Class 5	Poppy Josling and Charlie Mabey
Class 6	Connor McMillan-Talbot and Emilia Sheridan
Class 7	Travis Boulton and Grace Wade
Class 8	Kai Rees and Harry Alston
Class 9	Patrick Whitehead and Skye Burdett-Griffin
Class 10	Summer Cook and Seb Josling
Class 11	Finlay Moore and Margarida Carvalho

We are currently reviewing all the visits that reinforce the curriculum. As a result of this, the Year 5 Stackpole Information Evening on 14 November will be postponed. I will inform you of the new date once this has been confirmed.

The PTA held their AGM this week and I am delighted say that Emma Smith and Rebecca Alston were re-elected as Co Chairs. As a school we really appreciate the efforts put in by the PTA to raise additional money which allows us to purchase equipment that is vital for your child's education. Last year, they purchased a new interactive whiteboard, many new books for the school library, maths equipment and science equipment which was used during our successful science week. As a school, we are only able to benefit from this as a result of the time and effort put in by the committee.

Next week's assembly theme is Harvest and we are planning to follow similar lines to last year and ask that instead of donations of food, children bring in materials that could benefit refugees. We would be looking for warm clothing, coats, blankets and toiletries, and will be taking the donations to St Nicolas' Church.

Mrs E Parish

Associate Headteacher
