Friday 10th September 2021

Dear parents and carers,

Jeans for Genes Day

As a school, we have decided to support Jeans for Genes Day - an annual fundraising event for the genetic disorder community. The Jeans for Genes' campaign raises awareness of the daily challenges faced by those living with a genetic disorder and raises money to fund projects that make a tangible difference to the lives of those affected. Individually, genetic disorders are rare, but together they affect 1 in 25 children born in the UK – that is more than 30,000 babies each year!

On **Friday 17th September**, we are inviting all children (and staff) to bring in a **£1.00 donation** and wear jeans to school to help support this wonderful charity. We are asking children to wear their jeans (with school uniform top-half and school shoes) and work collectively together to raise as much money as we can. The money we raise on Jeans for Genes Day will fund a range of initiatives that will help improve the quality of life for children and families affected by genetic disorders.

Thank you for your support and we will keep you informed about how much money we raise!

Kind regards

Mrs Waterfall
