Last term we continued to participate in sporting events both in school and within the wider community.

Indoor Athletics

On Saturday 16 November 10 children took part in the Team Kennet Indoor Athletics Competition. The competition consisted of 6 races and 12 field based events (throwing & jumping), the children performed admirably both as individuals during the field based events and as a team during the track based events. Our positive performances saw us earn 336 points and win the shield for the competition. Well done boys and girls!

Boccia

On Tuesday 17 December 6 children travelled to Park House School to take part in the West Berkshire School Sports Network Boccia event. The children did the school proud as they showed perseverance and a determination to perform well. The children played in two teams with both teams walking away with a medal! Well done boys!

Football

Our girls' team took part in their Newbury District 7-a-side qualifiers at St Gabriel's School on a cold Friday evening in November. The girls worked hard and performed well in a very tough group as they faced St Josephs, John Rankin, St Gabriel's & Spurcroft. The improvement with every match was obvious but unfortunately it wasn't enough for our girls to qualify for the finals.

The girls also participated in the Newbury District Indoor 5-a-side competition being hosted by Trinity School, again working hard and showing improvements with every game, despite the positive performances we narrowly missed out on qualification for the finals.

Our girls also played against St Nicolas School in the Tony Mosson Cup. The very strong St Nicolas team was too much for our girls and ended our interest in the competition by beating us. Our boys team also took part in the Newbury District 7-a-side qualifiers but this time we were successful in winning the group and qualifying for the finals without conceding a goal. During the finals we lost the opening game 1-0 against Birch Copse before beating Springfield and Falkland, ending with a second place finish.

Our boys also took part in the West Berkshire School Sport Partnership Football Competition and again qualified for the finals afternoon. We struggled to get going during the finals and despite strong performances we only managed to win 1 of our 4 games.

Well done to all the boys and girls who represented our school last half term!

We are looking forward to sharing more sporting achievements from this term in our next edition.
