Dear Parents

## Re: Speenhamland School Development

Dear Parents

I am pleased to be able to share some exciting developments for our school site which will be taking place over the following months. We are delighted to be opening a nursery at Speenhamland School to increase our provision. The Nursery will open in September 2020 and will be located in the old Pelican building adjacent to our playground. This is an exciting opportunity for the school as it will enable us to grow our school community as we will welcome children from three years of age.

Gaining the Pelican Nursery building means we will be able to develop a suitable space for a nursery and our EYFS children. As a result, we can relocate the Keevill Unit into the existing EYFS space to provide first class modern accommodation that will allow the children to learn and thrive in a purpose-built environment.

We are currently working with the Local Authority to plan for this two-phased project. The plans are being finalised over the next couple of weeks and I look forward to sharing these with you in due course.

Yours sincerely

**Mrs E Parish**  
**Associate Headteacher**
