Parents Evenings (22-10-19 and 24-10-19)

The sign up sheets will be taken down during the day next Monday, so if there are any parents still wishing to book an appointment, please do so before then.

Car Park

There have been several afternoons this week where we have had near misses in the car park due to the number of parents and carers using this to park either at the start or the end of the day. I am currently exploring options to reduce this for the safety of all of the children. Any child with a disabled badge is able to be dropped at the door at the end of the school near the Foundation entrance.

Y6 Height and Weight

Y6 pupils will bring home a letter today from the School Nursing Service regarding the Y6 national childhood measurement programme, which will take place at Speenhamland on 06 November 2019. Full details in letter.

Route Guard

We have an increasing number of pupils who are walking themselves to and from school, and we have been made aware of an app which parents can use to ensure the safety of their children. It is called Route Guard and enables parents to set 'zones' where their child is allowed to go, within a secure system. Following this if the children strays from this zone then parents are able to see the location of their child. If this is something that you would be interesting in, please contact Mrs Burgess, who will be able to provide further information.

Clubs

Next week we have a number of fixtures, so there will be some disruption to the regular clubs. Please check the Parent Board for more information.

ISS

When we moved from ISS to Aspens there were a number of families who had a credit on their account. Where this is the case, children have been given a letter to bring home today explaining the arrangements for a refund.

Mrs E Parish—Associate Headteacher

FoSS News (Friends of Speenhamland School)

The FOSS Christmas card project is back by popular demand and personalised order forms for Christmas cards and other products went home this week. If you would like to order any, please return the form and the payment in a named envelope to the school office letter box by 24 October. Please note that pre-loved uniform will be on sale at Parents' Evenings as will tickets for the Halloween Disco. Details below.
