**Expected Impact 2018-19**

<b>Strategy</b>	<b>Cost</b>	<b>Expected Impact</b>
Attend more Sports Premium funded sports events covering a range of sports.	£4,130	Will provide the opportunities for children to represent their school in interschool activities. A focus will also be made towards attending more inclusive events.
Host a Healthy Lifestyles week	£200	An opportunity to educate the entire school on the benefits of living a healthy lifestyle. Whole school will have more opportunities to be active than in a usual school week.
Host House Sports	No cost	Will provide an opportunity for children to take part in intraschool activities. These activities will include inclusive activities designed to allow a wider range of children to participate.
Increase opportunities for Infant children	£100	Will provide an increase on the number of opportunities given to infant children during the academic year. 33 opportunities were given to children this academic year.
Fund a fully accessible daily mile track and start running the daily mile initiative	£12,000	The daily mile is a social and physical activity which will ensure the whole school has access to physical activity.
Purchase or replace sporting equipment	£500	Ensure that all PE equipment is in good condition and ready to be used for lessons. This will ensure that we can teach a fuller curriculum.
