

Sports Premium and PE at Speenhamland School 2023-24

What is the Primary 'Sport Premium'?

The primary 'sport premium' funding for primary schools has been designed to help schools in a variety of ways. Some of the outcomes we hope to meet through the 'sport premium' funding are:

- Increased opportunities for competitive sport
- Improved quality of teaching and learning in Primary Physical Education, including more dynamic exercise in lessons, that caters for all attainment levels, but ensures personal challenge and personal success
- Improvements in the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performances levels they are capable of
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport

Sports Premium and PE Action Plan – Impact Review

2022-23

2022-23 Fund Allocated: £16,000 (+£10 per pupil on roll)

GOALS

- To improve the physical literacy of all pupils with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport,
- To increase opportunities for competitive sport,
- To improve the quality of teaching and learning in Primary Physical Education, including more dynamic exercise in lessons, that caters for all attainment levels, but ensures personal challenge and success,
- To improve the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of,
- To raise the profile of PE and sport across the school as a tool for whole school improvement,

Action – what are you going to achieve?	Why do we want to achieve this?	How was this achieved?	Cost /resource implications	Outcome/Impact/Next steps/Sustainability
Ensure that high quality PE lessons are delivered across the school. Infants to receive one Real PE lesson a week while the Junior pupils to receive two pupils per week.	To increase activity levels across pupils within the school, whilst continuing to develop whole child learning, and traditional sport transition.	Use of Real PE and Real GYM schemes of work. Additional sport focussed lessons in line with Real PE scheme of work delivered in subsequent PE lesson/s.	£3,102.62 Resources replenished and new equipment purchased to allow all	All pupils at Speenhamland were timetabled and accessed 1 Real PE or Real Gym per week in addition to at least 1 traditional sports lesson per week. Sessions were delivered by the Sports Coach or cover teacher. By delivering the 6 cog focus the children have worked on both personal and physical skills. We

	<p>Children will learn 6 “whole child” holistic teaching cogs focussed around skills including:</p> <ul style="list-style-type: none"> • Personal • Social • Creative • Cognitive • Health & Fitness • Physical. <p>Children will transfer these new skills into traditional sports</p>		<p>children to have access to every part of each lesson.</p>	<p>have also purchased new school football kits in a different sizes to ensure that all children feel comfortable and look smart when representing the school.</p>
<p>Further exposure to physical activities by West Berks Sports Network or other organisations</p>	<p>To promote an on-going healthy lifestyle in PE and sport to children.</p> <p>We also aim to raise the profile of sports within the school by celebrating participation in the local events and ensuring our success in these events is shared within school via assemblies or newsletters.</p>	<p>Children at Speenhamland had access to many different sporting activities through affiliations to the West Berkshire School Sports Partnership, Newbury District Primary Schools Football Association, Newbury District Primary Schools Swimming Association, Newbury District Primary Schools Netball Association & Team Kennet's Athletics Schools Athletics Package.</p>	<p>Affiliation Fees: £3,438</p>	<p>Speenhamland have participated in multiple sporting fixtures throughout the year across a range of different sports. 89 different children (31% of whole school – excluding EYFS) have represented the school in inter-school fixtures this year. As a school we have seen a fantastic amount of participation in these events. We also had 1 girl selected to represent Newbury District Primary School Football Association for the 2022/23 season and one boy has been selected to represent Newbury District Primary Schools Football Association for the 2023/24 season.</p>
<p>Increase the resilience and confidence of vulnerable pupils, whilst at the same time increasing their levels of activity.</p>	<p>Following the successful introduction of Forest School in previous years for smaller focus groups it was decided that we would develop part of the school site to allow all pupils to</p>	<p>All pupils had 10 timetabled 1 Forest School session across the year.</p>	<p>£232.81</p>	<p>Monitoring shows that this initiative has continued to be successful in actively engaging learners in the classroom. It has also resulted in a reduction of behaviour incidents, as evidenced through the Pastoral Report.</p>

	have access to Forest Schools while looking for an offsite venue.			Our baseline and end of session evaluations show that the children felt they had improved in their problem solving skills and independence they also commented that they had increased in confidence during the sessions.
Increase opportunities for pupils to develop risk taking and resilience during PE.	Develop the personal skills of pupils through the teaching of Gymnastics.	Replace the wall bars in the hall with new climbing apparatus.	£7,754.42	Pupils will learn to take risks through challenging themselves to work at different heights in Gymnastic lessons. Pupils will also develop their resilience by facing challenges and being encouraged to push their own boundaries even if they find it tricky.
Reward and celebrate gifted and talented sports stars.	Ensure that those children who are talented in sport are aware of future careers and pathways into further education.	Gifted and talented trip to Bath University to see the facilities that are available.	£225	Pupils to have an improved knowledge of further education and being aware of the future pathways that are available to them.
Encourage active play during break and lunchtimes for all students.	Ensure that all children have access to outdoor and active play during their break times at school.	New playground markings to include mini pitches on the grids and hopscotch etc on the front playground.	£2,000	All pupils will have access to opportunities for active outdoor play during break times. These markings are designed to help children develop their fundamental movement skills such as jumping, hopping and running.

Swimming Analysis

Number of pupils who can swim competently, confidently and proficiently over a distance of at least 25 metres		Number of pupils who can use a range of strokes effectively	Number of pupils who can perform safe self-rescue in different water-based situations
Y3	7%	7%	0%
Y4	14%	14%	7%
Y5	43%	43%	9%
Y6	30%	30%	7%

Funding Allocation for 2023/24

Action – what are you going to achieve?	Why do we want to achieve this?	How will this be achieved?	Cost /resource implications	Outcome/Impact/Next steps/Sustainability
Replenish and replace learning resources.	To ensure that all children have access to relevant equipment to	Resources will be ordered and audited through the year to ensure that children have	£7,500	All Junior pupils to have 2 hours timetabled PE lessons a week. All Infant pupils to have 1 hour of timetabled PE

	enable them to access the entire curriculum.	access to this when they need it.		lessons a week in addition to active playtimes.
Increase the resilience and confidence of vulnerable pupils, whilst at the same time increasing their levels of activity.	Offer all pupils the opportunity to increase resilience and problem solving skills while learning in an outdoor and natural environment.	All pupils to have timetabled Forest School sessions either on the school site or at an offsite venue.	£1,000	Pupil to increase their resilience and ability to take risks through exploration of a safe outdoor learning environment. Pupils will be given freedom to explore the outdoor learning area and to work with tools they might not have had access to previously.
Build and furnish an outdoor activity station.	To ensure that all pupils have access to equipment that allows them to experience active play.	Building and furnishing an outdoor activity station in the Keevill area. This will include reaction walls and some activity tables.	£5,000	Opportunities for mainstream and Keevill pupils to play together in an outdoor and active area. Increase the opportunities for Keevill children to be active during the school day.
Increase club provision	Ensuring that all pupils have the opportunity to access a sporting club. Increasing the range of clubs on offer to capture more pupils' interests.	Specialist coaches hired in to run clubs alongside the current club provision.	£2,000	Clubs offered in a range of different sports including those outside of the current Speenhamland staff skill sets. Increased provision without increasing the pressure on school staff.
Increase exposure to sporting events and opportunities to represent the school in sporting events.	Ensuring that pupils have an increased opportunity to represent the school in a range of different sports.	Supply staff hired in to allow Sports Lead to take the pupils to fixtures during the school day. Speenhamland minibus will be used for transport to reduce pressure on parents.	£2,000	Increase in numbers of pupils representing the school in sporting fixtures. Increased in number of sporting fixtures attended during the academic year.
Reward and celebrate gifted and talented sports stars.	Ensure that those children who are talented in sport are aware of future careers and pathways into further education.	Speenhamland Netball team to have an experience day at University of Bath, using some of the equipment and experiencing the coaching before watching a Team Bath Netball Fixture.	£1,000	Pupils to have an improved knowledge of further education and being aware of the future pathways that are available to them. Experience high level sport and have the opportunity to see high level athletes compete.
