

DRAGON CLUB

GOOD TIMES AND FRIENDSHIPS!

At Speenhamland, we appreciate that balancing work and family can be a huge challenge, so that is why we offer affordable, wrap-around care for all our families in the form of our Dragon Club. Dragon Club is situated on the school grounds of Speenhamland and is managed by Bridget Monger, our finance officer. We are open daily in term time as well as in holiday time.

Dragon Club is a place where we find our children completely happy: it is a great social gathering place for the children to talk to their friends and make new ones. We run a breakfast club daily from 7.30am to 8.30am where the children have a wide choice of cereal, toast, crumpets, fruit and fruit-juice to select from. To end the week on a high, we offer bacon sandwiches every Friday! After breakfast, we encourage our children to take responsibility and independently do their own washing up. Next, they are able to play with the various toys we have or even enjoy a game of pool. Before sending the children to class, we offer a fun warm-up exercise of dancing for the children who want to join in - this makes them feel wide-awake and ready for learning!

The afternoon sessions at Dragon Club run from 3.00pm until 6.00pm daily. Once the afternoon register is taken, the children like to share their news with everyone. This social time encourages everyone to feel valued and listened to and it is especially nice to see even the quietest of children grow in confidence as they share their exciting news. During the first part of the afternoon session, staff are on hand to support children with their homework tasks as well as their daily reading and Maths fluency online practice.

After a day of learning, we understand how hungry children become so we offer a wide-range of delicious snacks. These can consist of homemade pizzas, pasta, hotdogs, sandwiches with various fillings and vegetarian options. Healthy fruit snacks are always available to supplement those bigger appetites!

There is so much to do in Dragon Club including: a variety of games and puzzles; a full-size pool table; colouring activities; Lego; X-Box or simply just watching a movie. In addition, Dragon Club enjoys the use of the ICT suite and main hall for competitive activities such as Dodgeball.

Weather-permitting, we do encourage the children to get outside as much as possible as we have an amazing adventure playground, an all-weather running track, a large field for all sorts of games and activities, gym equipment, scooters and not forgetting our trim trail.

Children feel safe and happy at Dragon Club and have the opportunity to mix with children from EYFS to year 6. Our play workers positively interact with the children and ensure that no one is ever left out.

If you are looking for quality, reliable wrap-around care for your child, look no further than Speenhamland's Dragon Club.
