Parents say...

"Choosing Speenhamland has been the best decision we've made. The entire team are exceptional and we're continually incredibly impressed by the thought, care and attention that goes into every part of his education and beyond."

"Great communication with parents on a one to one scale."

Pupils say...

"Attending Speenhamland is special because we look after each other – everyone is a friend. As a PM Pal, we are trained to encourage and help children to sort out their own friendship issues if they arise."

"We enjoy lots of extra-curricular clubs and sporting events: football (girls and boys), netball, ruby and multi-sports. We have competitive House tournaments and sports fixtures against other schools."

"Our school is unique! We have Forest School which is our own community space; there we learn new skills. Taking part in Forest School has enhanced our team work skills and enabled us to see where we can take risks."
