## OUR AMAZING CHEFS!

### MasterChef

#### STARTER

Warm, soft Naan bread served with a refreshing, cooling cucumber Raita

#### MAIN COURSE

A mouth-watering, flavoursome chicken curry served with a delicate mound of Pilau rice

At Speenhamland School, we have a rich diversity of pupils from all around the world. 34% of our children have English as an additional language and of these pupils, 45% have Indian heritage as well as some of our staff.

We therefore chose Indian cuisine as the focus for our fake away as we felt it represented the heart of Speenhamland.

To find out the fake-away preferences of our staff and pupils, we conducted our own survey at lunchtimes. We asked them about their favourite Indian starters and mains.

We had great fun using Excel to analyse our results and this was our final menu for the competition.

**STARTER:** Warm, soft Naan bread served with a refreshing, cooling cucumber Raita

**MAIN DISH:** A mouth-watering, flavoursome chicken curry served with a delicate mound of Pilau rice

**Our team were nothing short of outstanding and their menu was a huge hit with the judges!"**

**SUPER TEAM WORK!**
